

Employment Opportunity

Manager of IT

Permanent Full-time, Salary level 6 \$73,000 - \$92,000

The County of Annapolis is currently seeking a Manager of IT to join their team! This is an opportunity to work amongst the breathtaking natural beauty of the Bay of Fundy shoreline and the lush Annapolis River, where you will be captivated by coastal communities, towns, village, historic properties and stunning parks that are the pride of our county. Annapolis County is an ideal location to live, work and play.

Reporting to the director of HR and Legislative Services, the Manager of IT ensures the streamlined operation of IT infrastructure and services in alignment with the organization's strategic objectives. The incumbent provides leadership in business service delivery and plans, coordinates, directs, and delivers IT support to all County departments. The manager is also responsible for approving expenditures and overall budget planning and management for the IT department.

Qualifications:

This position requires a B.Sc. in Computer Science or and Advanced Diploma in Computer Technology. This person must have five years' experience in a similar role, preferably in a municipal setting. The incumbent must be a team player, and have the ability to interact with co-workers, council and the public in a positive and professional manner. This person must be a self-starter and have knowledge of principles and techniques for application development, software customization and software interfaces. The successful applicant will be a member of the municipality's management team and demonstrate excellent leadership abilities that inspire and motivate staff to perform at their best.

A complete Job description can be found on our website: www.AnnapolisCounty.ca

This employment competition will remain open until the position is filled

Kate McLean, Human Resources Coordinator
(902) 532-0890
